

CREATING A REGULAR RHYTHM TO LOOK TO THE NEEDS OF OTHERS

as the bridge, we are coming alongside various local ministries in bakersfield to help support them as they love our city well.

WHAT IS AN **OUT BAG** ?

our local ministry partners serve and provide our community daily with essential items such as: non-perishable foods, hygienic items, cleaning supplies, etc. an **out bag** is designed to provide our partners with these basic needs.

HOW IT WORKS

simply take this bag with you as you go about your regular shopping routine. pick a list provided on the bridge app and fill your **out bag** with the specific items listed for the ministry you choose. label the bag with the ministry name and remember to take a moment to pray for them. then, bring your filled bag back to the bridge on any given sunday. make this a regular part of your rhythm.

* Note: we are **only** collecting out bag during sunday gatherings

let's do small things with great love.
