

CREATING A MONTHLY RHYTHM
TO LOOK TO THE NEEDS OF OTHERS

As the Bridge we are coming alongside various ministries throughout our city to help support them as they love our city well.

WHAT IS AN OUT BAG ?

Our local ministry partners serve and provide our community daily with essential items such as: non-perishable foods, hygienic items, baby items, etc. One **Out Bag** is designed to provide one of those ministries with these basic needs.

HOW IT WORKS

Simply take this bag with you as you go about your regular shopping routine. Pick from a list provided on the Bridge app and fill your **Out Bag** with the specific items for the ministry you choose. Label the bag and remember to take a moment to pray over it. Then simply bring your filled bag back to the Bridge on any given Sunday.

Note: we will **only** collect "out bags" at sunday gatherings
