Tips for your Family Guide time:

- Gather in a cozy spot together and bring your children close.
- Explain that you get to do "home church" together, framing it as a special opportunity to gather as a family!
- Protecting this as a positive time is key! Shorten, lengthen, or modify the lesson as needed to suit your family.

Activity: Life the Maze

What you Need:

Maze Printable (attached) for each child & pencil

What you do:

Have the children work on completing the maze.

What you say:

Here is a puzzle that we refer to as a maze. Each of you will get one of these puzzles to solve. To solve this puzzle, you take your pencil and start right here where it says, "start", and you will try to find an open path in the puzzle that will lead you all the way to where it says, "finish". Of course, you can't cross through any lines. That would be too easy! A puzzle like this can be very difficult -- and sometimes it can be pretty frustrating. Traveling through this maze, you will often have to change the direction you are going. You may often find that the path you have chosen leads you to a dead end. When this happens, you just have to back up and start again. When the puzzle gets too difficult, you may need to ask someone to help you. Even though finding the right path that leads to the finish may be difficult, you will have a feeling of satisfaction when you finally reach your goal.

God has a path that He wants us to follow and He wants us to be successful in reaching the Finish line. As we face each new day of this year and try to follow the path that God wants us to follow, we may find that it is a lot like trying to solve one of these puzzles. We may often face difficult choices in deciding what God wants us to do. We may have to make frequent changes in the direction we are going. Sometimes we may find that we have made a wrong choice and we have traveled down a dead end path. When that happens, we have to back up and start over again! Following the will of God for our lives is not always easy, but there is help available. God is always there to help us if we will just ask Him to guide us.

TALK ABOUT IT

Discussion:

1. Is it easier to trust something that you can see or something that you cannot see?
2. Is anything or anyone stronger than God?
3. When are you tempted to trust people, instead of trusting God?

PRAYER

Prayer:

What you say:

Let's pray...

(more on the next page)

Dear God, as we travel through this year, we ask you to help us to trust the plan that you have for our life. When we don't know which way to turn, help us to listen for your voice as you give us direction and courage to keep going on the right path! Amen.

MEMORY VERSE

Memory Verse:

Parents: We want to encourage you to spend time each week as a family memorizing a passage of Scripture.

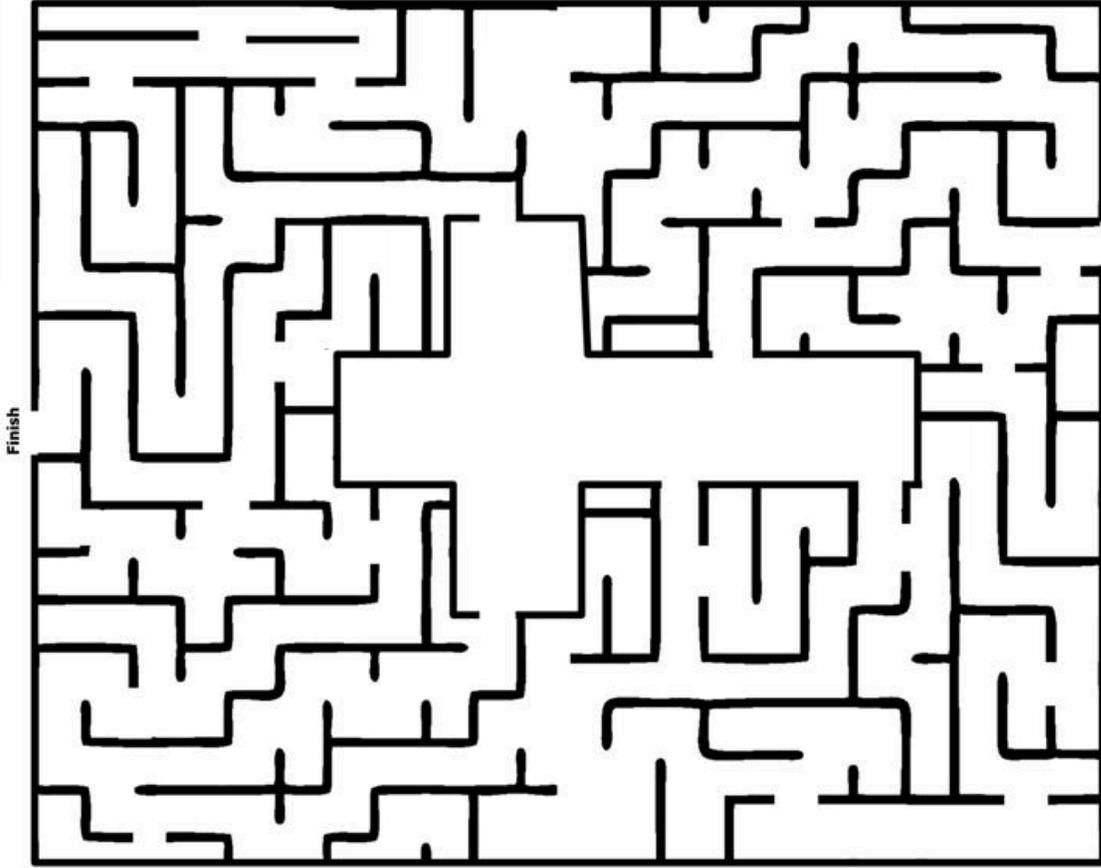

Hebrews 10:36 (NIRV)

You need to be faithful. Then you will do what God wants. You will receive what he has promised.

Hebrews 10:36 (ESV)

For you have need of endurance, so that when you have done the will of God you may receive what is promised.
